

# Student Progression

Age of student **15**

Prior **Reading** Age **8.3**

Post **Reading** Age **9.1**

Prior **Spelling** Age **8.3**

Prior **Spelling** Age **9.3**

Attended the 5 day Wordpower Express Intervention Programme for Pupil Referral Unit students - 'Articulate Not Gesticulate'.

## PROGRESS

Students were asked to provide a '3 tick written answer' to the question, Why is the statement 'a is for apple' incorrect?, on the Friday.

Q. Why is the statement 'a is for apple' incorrect?

Apple, any, many, all, ball, fallen  
 went, was, wash, what, ancient, acre  
 aviary, apex, bandage, sausage, luggage,  
 America, India, Jamaica, drama, answer, mask  
 (cat)  
 (apple)

You know how to spell words correctly when you understand the relationship between accent, speech sounds and grapheme choices and when you have developed detailed observation, classification and recall techniques. Not everyone knows that!

A great explanation. I am impressed by your word groupings.

modify letter order (d. obs/accuracy) answer
